Become A Medford Police Officer

NEW YEAR, NEW CAREER
 BECOME A MEDFORD POLICE OFFICER

APPLICATION DEADLINE
 FEBRUARY 2, 2026

NOTICES TO APPEAR
 FEBRUARY 20, 2026

WRITTEN EXAM PERIOD
 MARCH 11-14, 2026

APPLY TODAY
WWW.MASS.GOV/CIVIL-SERVICE

In January 2025, the Civil Service introduced a new 'Hybrid Hiring Model' for departments under its purview. This model offers two distinct pathways to become an entry-level police officer:

1. Civil Service Exam Route: The first step in this pathway is taking the Massachusetts Civil Service Exam, which is now offered twice a year. Applications are NOW OPEN for the spring 2026 police officer entrance exam. Deadline to apply is February 2, 2026.
2. Getbadged Route: Apply directly through GetBadged.com. Visit GetBadged.com, create an account, and select your preferred exam date. This is on-going.

For more details and the next steps in the new hiring process, please visit our website at medfordpolice.com/becomeapoliceofficer.

Somerville/Medford Remembering Robin A. Jellison

Robin A. Jellison
Nov 2, 1969 – Mar 10, 2026
Wells, ME- Robin A. Jellison,

56, of Wells, Maine, passed peacefully and surrounded by family on Tuesday, March 10, 2026.

Beloved daughter of Marylin Barry and the late Theodore Jellison. She is survived by her brother Michael Wyatt and his wife Karen of Billerica, MA, and her brother Michael Salvi of Somerville, MA. Cherished aunt to Jackie Wyatt and Kaitlyn

Wyatt Fieler and husband R. J. also of Billerica.

Friends and family recall her fantastic sense of humor and accompanied by a laugh that could really wake up a room. She had quite an admiration for all things Scotland as well as for animals, Andrea Bocelli and Donna Summer. She also thoroughly enjoyed spending time with her family and friends.

Robin worked at the Portsmouth Naval Shipyard up to her passing. It was here that she met some of the most incredible people who supported her fully through one of the toughest challenges of her life. Something for which she was truly grateful for.

Visitation will be held from 10 AM to 12 PM on Sunday, March 22, 2026, in the Remick & Gendron Funeral Home-Crematory, 811

Lafayette Road, Hampton. A celebration of life will be held at 12 PM immediately following visitation in the funeral home. In lieu of flowers, and should you desire, donations may be made in Robin's memory to the Safe Haven Humane Society, PO Box 91, Wells, ME 04090 or online

Somerville/Medford Remembering Edward (Ed) C. Bernis

Obituary
Edward (Ed) C. Bernis, of Somerville, MA passed away peacefully after a long illness, on Saturday, March 7, 2026, at the age of 77, surrounded by his loving family.

Born and raised first in the West End of Boston, then East Cam-

bridge, Ed was the beloved son of the late John E. and Sophie M. (Gaina) Bernis. At age 20, he was drafted into the U.S. Army, and proudly served his country for 1 year in Vietnam in the 1st Infantry Division ("Big Red One").

Not long after returning home from Vietnam, he met Barbara, a lifelong Somerville resident, and together they settled and raised their two children (Samantha and Michael) in Somerville. Ed worked for the City of Cambridge as a printer for 40 years before retiring in 2011.

Ed's favorite home away from home was Maine, where he traveled most often to York Beach and Ogunquit with his devoted wife and best friend Barbara. Birthdays, anniversaries and retirements were all celebrated with a trip to Maine.

Thousands of memories were made each August when the whole family would gather at Short Sands in York. His many trips with Barbara to Chicago to visit their daughter were filled with laughs and great times. Ed and Barbara also enjoyed trips to Cancun, St. John USVI, Aruba and many trips to NYC over the years.

Ed was a lifelong fan of the Celtics and a proud "day 1" fan of the New England Patriots. Seeing that first Super Bowl win in 2002 after over 40 years was truly one of the highlights of Ed's life! He was a voracious reader, and Stephen King his favorite author. He also enjoyed books focused on the Vietnam War, JFK and true crime (well before it became popular). He loved watching Jeopardy every night, thoroughly appreciated a good, smart comedy (i.e. the movie "Airplane!"),

and was a huge fan of the Simpsons (again, since day 1). Music was a staple in the house when his kids were growing up, and that love of music from the 60s/70s was certainly instilled in them – CCR, the Stones, Billy Joel, Elton, The Beatles – to name a few. He attended many concerts over the years, and loved Broadway shows (Evita being his favorite). He was quick with puzzles (including crosswords) and did many of them post-retirement. However, his favorite hobby was scratch tickets, and he made regular visits to the YNOT convenience store in Somerville to get his supply. He looked forward to a refreshing G&T in the nice weather, and settled into a Maker's Mark and water on cold winter evenings.

Beloved husband of 53 years to Barbara (Byrne). Cherished father of Samantha and partner Doug

Tracy of Phoenix, AZ, and Michael and wife Kelly of Somerville, MA. Adored Papa to Jackson and Finley. Loving brother-in-law to Josie and Marge. He will be missed by many nieces, nephews and friends from all corners of his life. He is predeceased by his parents John E. and Sophie M. (Gaina) Bernis, brothers John (Bill) and Walter (Wally) and nephew Walter Jr. (Wally).

Family and friends are invited to honor and remember Ed's life by gathering for a Visiting Hour at St. Catherine's Church in Somerville, MA, on Friday March 20, 2026 from 11:00am-12:00pm, followed by a funeral Mass at 12:00pm.

In lieu of flowers, donations in Ed's memory may be made to the Vietnam Veterans Memorial Fund or to Mass General Cancer Center.

Somerville/Medford Remembering Attorney David P. Skerry

Obituary
Attorney David P. Skerry – A lifelong resident of Medford, passed away peacefully at home on Wednesday, March 11, 2026. He was 83 years old.

Born, raised, and educated in Medford, he was the beloved son of the late Patrick and Dorothy (Bennett) Skerry. David was a proud graduate of Medford High School, Class of 1960, where he also served as captain of the football team. Following high school, he continued his education at Boston University College of Business Administration, where he graduated first in

his class. He later attended Boston College, earning his law degree. Although he was proud of these accomplishments, David often said that his post-graduate year at Newman Prep was what truly helped shape the direction of his life and set him on the path to the success he enjoyed.

David went on to have a long and respected career as a self-employed attorney, practicing law for over 55 years. Through his work and community involvement, he became well known and respected throughout the City of Medford.

Deeply committed to public service and his community, David served two terms on the Medford School Committee in 1969 and 1971. He later served four terms on the Medford City Council in 1973, 1975, 1977, and 1979. He also gave back to the community in many other ways, including sponsoring teams in Medford Youth Baseball and generously supporting local athletics, particularly the Tufts University

Men's Basketball program, Medford High School basketball, and Medford Youth Basketball.

While he was devoted to his career and community, David often said his other full-time job was being a father to his three sons. It was a role he took very seriously and one he considered his most important. Known to many as the "basketball dad," David rarely missed a game and could always be found in the stands proudly cheering on his boys.

All three of his sons went on to play college basketball for Tufts University, and David and his beloved wife Kathy proudly traveled throughout New England to watch their sons play and later coach for Tufts. Supporting his family and their accomplishments brought him immense pride and joy.

David was also an avid college football fan and never missed a game if it was on television. When football was on, he was fully focused on the game as he enthusiastically

cheered on his favorite teams.

In his quieter moments, David enjoyed gardening, spending many peaceful hours tending to his yard and garden whenever the weather allowed.

David also shared a love of travel with his beloved late wife, Kathy. Together they created many wonderful memories cruising to destinations around the world.

Devoted husband of the late Kathleen (Granara) Skerry. Beloved father of Patrick Skerry and his wife Kristen of Lutherville, MD, John Skerry of Medford and Brian Skerry and his wife Linda of Boston. Cherished grandfather of Ryan and Owen Skerry. Loving brother of Judith Moniz and her late husband James of Medford, and Patricia Hickey and her husband Philip of NH. Also survived by many loving nieces and nephews.

A funeral procession will be on Friday, March 20th from the George L. Doherty Fu-

neral Home 855 Broadway (Powder House Sq.) Somerville at 9:00AM. Followed by a funeral mass celebrated in St. Francis of Assisi Church 441 Fellsway Medford at 10:00AM.

Relatives and friends are invited to attend.

Calling hours will be held on Thursday from 4:00PM to 7:00PM.

Interment will be private.

Somerville Declares 2026 the Year of the Neighbor

SOMERVILLE— Somerville is kicking off a year-long push to strengthen the connections between its residents, highlighting City programs, initiatives and community events under a united theme: 2026 is the Year of the Neighbor.

The designation, proclaimed this week by Mayor Jake Wilson, aims to make sure every resident in every ward has real opportunities to meet the people around them, bridge divides, contribute to their neighborhood, and feel a sense of belonging. Each month will spotlight a different theme — from shoveling sidewalks together in January to supporting local nonprofits in December — giving residents a rotating set of ways to show up for one another throughout the year.

“Community is Somer

ville’s superpower,” said Mayor Wilson. “At a moment when so much in our national life threatens to pull us apart, our city is choosing a different path. We’re choosing community over isolation, generosity over indifference, and love of neighbor over fear of the unfamiliar. Even small acts of connection can have profound impacts, and this year we’re inviting every resident to be part of that.”

The year’s programming kicks off this spring, starting with neighborhood cleanups and an “Adopt a Thing” month where residents can take stewardship of trees, drains, pollinator gardens, fire hydrants — or causes, including opportunities such as becoming a Climate Ambassador.

Summer brings block parties, festivals, and outdoor film screenings through

SomerMovie Fest. Fall turns to civic life, food access, and giving back — with September focused on joining a city board, commission, or activity, October highlighting resources for neighbors facing food insecurity, and December shining a light on being loyal to local businesses. And come winter, neighbors can team up for the Best Shoveling Award.

For a full calendar of events and ways to get involved, visit somerillema.gov/neighbor.

“When we find ways to make connections with the people around us, especially those with whom we might not agree on major issues, we make our community stronger and we open up opportunities for learning and growth,” said City Council President Lance Davis. “And,

even better, we make new friends. I’m excited for the Year of the Neighbor and for all the ways it will enable us to come together.”

Throughout the year, the City will also be encouraging awareness and idea sharing of ways to be good neighbors — or as Mr. Rogers put it, be “the helpers.” From welcoming a new neighbor, to exploring Know Your Rights resources, to running errands for a senior, or throwing a block party, the City will highlight ways to connect or give or get support and seek resident suggestions to share. Residents will be invited to nominate a neighbor who deserves recognition for their work in the community – or just a small acts of kindness.

Year-round, residents can connect through Parks & Recreation programming, events at the Somerville Public Library, and Somerville Arts Council festivals and initiatives, as well as spring and fall Slice of the City and neighborhood meetings where neighbors can get to know their ward and their local officials.

“In our schools, we see every day how powerful it is when young people

feel connected, supported, and known within their community,” said Dr. Emily Ackman, Chair of the Somerville School Committee. “The Year of the Neighbor is an opportunity to extend that spirit across Somerville — strengthening the relationships that help each of us thrive. When we invest in knowing one another, we are also investing in safer schools, stronger families, and a city where everyone feels that they belong. I’m proud to support this initiative and look forward to the many ways our schools and neighbors will come together throughout the year.”

GREEN ENERGY (H 5151)

By Bob Katzen

House 25-139, rejected an amendment to a current law that requires retail electrical suppliers to provide a minimum percentage of kilowatt-hour sales to customers from renewable energy generating sources. The amendment would eliminate the renewable energy requirement if compliance would not be cost effective or would result in additional costs to consumers.

Rep. Paul Frost (R-Auburn), the sponsor of the amendment,

said that he is not opposed to green energy in general but is opposed to its mandated use when it is more expensive than conventional energy. He noted that currently offshore wind and solar energy is more expensive than conventional energy and the higher costs result in the ratepayers paying more.

Rep. Mark Cusack (D-Brain-tree) said he opposed the amendment because it is duplicative of what is already within the power of state's Department of Energy Resources (DOER) to do. He noted that DOER

did just that this year when it reduced the requirement from 3.7 percent to 3.5 percent.

(A "Yes" vote is for the amendment. A "No" vote is against it.)

Rep. Christine Barber
No Rep. Mike Connolly
No Rep. Paul Donato No
Rep. Erika Uyerthoeven

BAN MINORS FROM BEING ON SOCIAL MEDIA (HD 5696)

By Bob Katzen

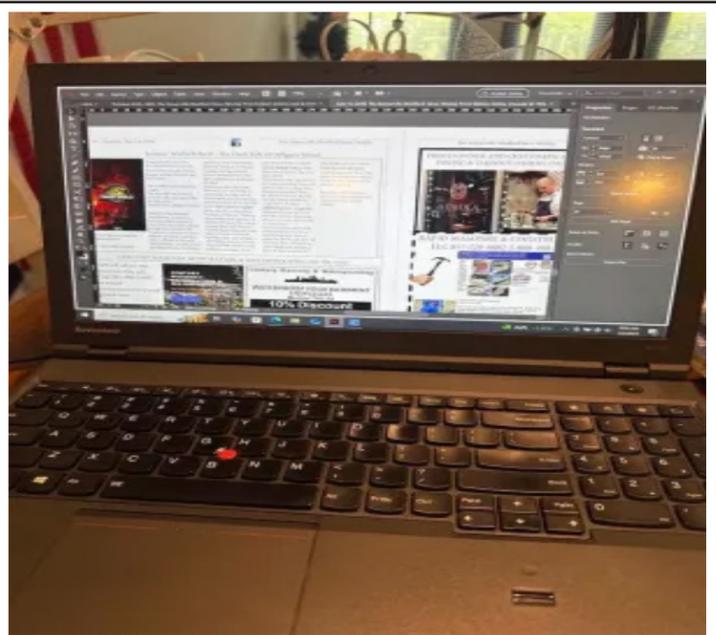

A late-filed bill would prohibit minors under the age of 16 from opening a social media account unless the account provides primarily videoconferencing, e-mailing mailing or educational services. The measure would require the social media platform company to take reasonable steps to prevent children under 16 from having accounts and includes a requirement that applicants provide a birth

certificate or valid government-issued identification, proving that they are over 16.

Supporters say that this age restriction is long overdue and cite the U.S. Surgeon General's advisory that highlighted a strong correlation between prolonged social media use and adverse mental health effects in minors, including increased rates of anxiety, depression and social isolation. They noted that being on these plat-

forms risks the possibility of minors being cyberbullied, harassed and exposed to sexual predators.

Rep. Michael Kushmerek (D-Fitchburg), the sponsor of the bill, did not respond to repeated requests from Beacon Hill Roll Call asking him why he sponsored the measure.

MEDFORD VFW POST 1012 HAS A NEW COMMANDER

Congratulations to The Medford VFW on its new Installation of Commander Steve McLaughlin as he takes charge.

Best of luck and we can't wait to see all the good things that you will bring to the VFW under your guidance and leadership!

Thank you for your continued support.

Somerville/Medford News Weekly Speakup Line: Why Don't The Elderly With Mobility Issues Matter In Somerville Anymore?

Dear Billy T and Somerville/Medford News Weekly Speakup Line,

I am wondering if you can get me a piece of information? When the city were doing the bike lanes, they eliminated over 100 parking spaces. I am wondering how many were designated for the disabled and if they were replaced and relocated to another location.

The elimination of parking

has really cut out community participation especially for elders with mobility issues. Isolation is more detrimental to the elderly than food and exercise issues. Nobody addresses the issues of the elderly. I guess they don't think it will happen to them?

Sincerely,
A resident who wants the elderly to matter matter in Somerville

Somerville Armory RFP Deadline Extended to March 18

SOMERVILLE—Artists, makers, and creative organi-

zations: the City of Somerville has extended the submission deadline for the Somerville Armory leasing Request for Proposals (RFP). Proposals are now due Wednesday, March 18, by 2 p.m.

The Armory RFP is an invitation to make this landmark your home base — and to help grow it into a thriving,

multi-tenant arts and cultural hub at the heart of Somerville.

Full requirements, deadlines, and submission instructions are included in the official RFP materials available through the City's procurement portal. The City's Armory RFP information page on SomerVoice includes a

user-friendly guide, timeline, and links to upcoming events. voice.somervillema.gov/armory-master-plan

About the Somerville Armory The Somerville Armory is a City-owned facility and long-time home for cultural and community uses. Through this RFP process, the City is working to grow the Armory

as a public, multi-tenant arts and cultural center that supports Somerville's creative economy and expands opportunities for community benefit.

ALLOW FOR TRANSLATION AND TRANSCRIPTION (H 5093)

By Bob Katzen

House 12-145, rejected an amendment to a bill that would prohibit the distribution of deceptive artificial intelligence (AI) communications within 90 days of an election, including audio or visual media which depicts a candidate with intent to injure their reputation or deceive a voter into voting for or against them.

The amendment would narrow the language to allow the use of AI for translation and transcription.

Amendment sponsor Rep. John Gaskey (R-Carver) said the bill travels dangerously close to the edge of First Amendment violations, especially when we're talking about challengers and grassroots organizations

that have smaller budgets than establishment and incumbent positions. He noted that AI is now being used as a low-cost tool for these organizations to be able to generate transcriptions and translations to get their information out to more people, and in multiple languages.

Rep. Tricia Farley-Bouvier (D-Pittsfield) opposed the amend-

ment and said that the bill does nothing to affect free speech. She noted that the measure refers to misinformation, not just of a candidate, but of the underlying infrastructure that we need to trust to have elections. Like where the polling place is and what the times are. It talks about actual malice and intent. It's not a mistake somebody makes, it's about intent.

(A "Yes" vote is for the amendment. A "No" vote is against it.)

Rep. Christine Barber No
Rep. Mike Connolly No
Rep. Paul Donato No
Rep. Erika Uytterhoeven No

Class Action Lawsuit Regarding Fraudulent and Inaccurate Somerville Water Bills

By William Tauro

We are looking for residents interested to being part of a class action lawsuit to help Somerville home owners, property owners, residents and tenants to obtain the justice they deserve after being victims of fraudulent and/or inaccurate outrageously high water bills caused by faulty water meters and inaccurate readings.

All contacts and information will remain confidential.

Send to email : Wmtauro@aol.com
or
Inbox me

(Please DO NOT post any contact information in the comments area)

Please include your full name that the bill is in, your address, phone number and email address and we will contact you.

Please feel free to message me or email me at Wm-tauro@aol.com with any inquiries about joining the list of potential plaintiffs in this class action lawsuit.

MILLIE THE BRAVE Fire Dog by Day, Heart Healer by Night**

What a wonderful book check it out!

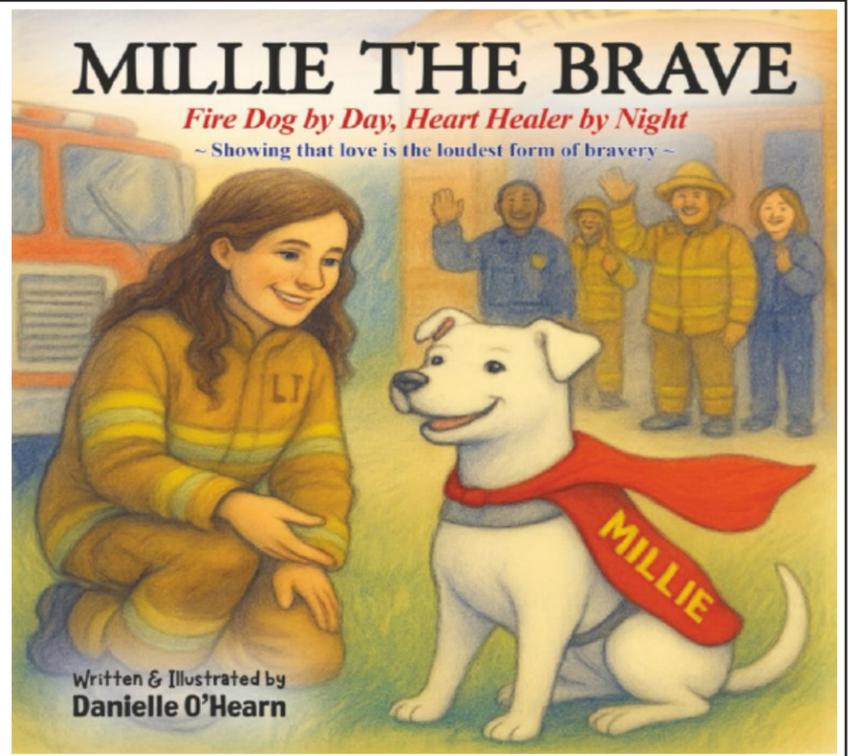

Dear Billy T and Somerville/Medford News Weekly Speakup Line,

Hey Billy
My name is Danielle we've met a few times before, I'm a firefighter in Somerville. I just came out with a children's book.

It's about my dog Millie it was a real life, first responder therapy, dog and rescue and her adventures in firefighting and being a therapy dog. I know you have a huge following. Any shout out about the book would be greatly appreciated. It's available currently on Amazon and hopefully in bookstore soon. Thanks Billy!

Here's the link the title is Millie the brave

MILLENNIUM

PROPANE FUEL (H 5151)

By Bob Katzen

House 25-128, rejected an amendment to a bill that supporters said would result in over \$9 billion in savings for utility ratepayers over the next ten years.

The amendment would provide that if a propane vendor fails to perform timely delivery of propane, as required under a

signed agreement, and the failure results in the customer's propane supply being depleted or critically low, the customer would have the right to sign a new contract with another licensed propane vendor, regardless of whether the tank or equipment is owned or leased by the original vendor.

Amendment sponsor Rep. John Marsi (R-Dudley) said that many

people rely on propane for heat and hot water. He noted that a large propane company bought up several smaller ones and then laid people off, resulting in seniors who weren't able to get their deliveries on time. He said his amendment simply would allow customers to use another vendor to fulfill their propane needs in an emergency situation, if their contract is broken.

Rep. Mark Cusack (D-Braintree) opposed the amendment and said that this is a more complicated issue and that the amendment should be filed as separate bill so the Legislature can hold public hearings on it. He urged members not to rush this amendment through the House.

(A "Yes" vote is for the amend-

ment. A "No" vote is against it.)

Rep. Christine Barber No Rep. Mike Connolly No Rep. Paul Donato No Rep. Erika Uytterhoeven No

ALLOW TAX COLLECTOR TO WAIVE INTEREST, CHARGES AND FEES ON UNPAID LOCAL PROPERTY TAXES (H 3266)

By Bob Katzen

The House gave initial approval, on a voice vote without a roll call, to a bill that would allow local tax collectors in cities and towns to waive interest, charges

and fees, imposed on any homeowner for outstanding property taxes. The bill amends current law which allows the waiver only if the interest, charges and fees total \$15 or less.

Supporters say that the bill will help many people, including seniors on fixed income, by providing some financial relief during these difficult economic times.

The same bill was given initial

approval in the House in 2024, but it died because of lack of further action by the House.

Rep. Marcus Vaughn (R-Wrentham), the sponsor of the bill, did not respond to re-

peated requests from Beacon Hill Roll Call asking him why he sponsored the measure and how he feels about its passage.

FREEZE ASSESSED VALUE OF HOMES (H 3006)

By Bob Katzen

The House gave initial approval, on a voice vote without a roll call, to legislation that would allow cities and towns the option to freeze the valu-

ation of any property in which the owner has lived for more than 30 years. The freeze would only apply to owners whose income does not exceed 100 percent of the area median income and whose

liquid assets, excluding the home, are less than \$100,000.

Supporters said that since property taxes are based on the assessed value of the property, freezing the

valuation will also help keep the property tax low and help many seniors remain in their homes.

Rep. James Arciero (D-Westford), the sponsor of the bill, did not respond

to repeated requests from Beacon Hill Roll Call asking him why he sponsored the measure and how he feels about its passage.

ENTER PROPERTY FOR INSPECTION (H 3212)

By Bob Katzen

The House gave initial approval, on a voice vote without a roll call, to a measure that would allow assessors, who deems it reasonably necessary, to enter any lands, waters and premises in Massachusetts to collect physical

and functional data pertinent to the proper determination of said property's fair cash value for the fiscal year tax roll. The bill does not allow entrance to an actual building.

Supporters say that the bill will ensure that these inspections are legal and not

considered to be trespassing. They note that the assessor would be required to act in accordance with the Department of Revenue's requirements as well as the Uniform Standards of Professional Appraisal Practices that both allow an assessor or his authorized agents to enter a

property, after reasonable notice. They noted that the legislation would not relieve an assessor of liability for damage caused by entry to the property.

Co-sponsors Rep. Bridget Plouffe (D-Brockton) and Sen. Michael Brady (D-Brockton) did not respond

to repeated requests from Beacon Hill Roll Call asking them why they sponsored the measure and how they feel about its passage.

OFFICIAL STATE CRUSTACEAN (HD 5691)

By Bob Katzen

Sen. Patrick O'Connor (R-Weymouth) and Rep. Joan Meschino (D-Hull) co-sponsored a late-filed bill that would make the American lobster the official state crustacean.

O'Connor said that the bill recognizes the maritime heritage of Massachusetts and the hardworking fishing communities that have shaped our coastal economy for generations. "Specifically in the dis-

trict that I represent on the South Shore, I have long worked with members of the lobstering industry, and experienced first-hand the vital role lobstermen/women have in supporting local jobs, small businesses and our

broader seafood economy," continued O'Connor.

"This bill is about celebrating and uplifting a significant sector of the state's blue economy, our historic maritime culture and a sustainable fishery,"

said Meschino. "I am glad to file this bill in partnership with the Massachusetts Lobstermen Association and help to honor a crucial industry in the commonwealth."

CHANGE THE BAY STATE'S TIME ZONE (S 2157)

By Bob Katzen

Senate President Karen Spilka (D-Ashland) announced her support for S 2157 – a bill that would make Atlantic Standard Time the standard

year-round time in Massachusetts, and would put an end to the practice of switching between Standard Time and Daylight Saving Time. This means that people would no longer change the clocks in the Spring and Fall. The change would only take effect if two or more neighboring states (Connecticut, Maine, New Hampshire, New York, Rhode Island or Vermont) also adopt similar legislation.

Within 120 days of this new law taking effect, Gov. Maura Healey would be required to petition the United States Department of Transportation (DOT) to include Massachusetts within the Atlantic Standard Time Zone. Under current federal law, a

state cannot simply unilaterally decide to change their time zone. Any change would have to be approved by the DOT.

Currently, 48 states have Daylight Saving – the exceptions being Hawaii and Arizona. Daylight Saving Time begins at 2 a.m. local time on the second Sunday in March. On the first Sunday in November, areas on Daylight Saving Time return to Standard Time at 2 a.m. When Daylight Saving Time begins in the United States you turn your clocks ahead one hour ("Spring forward"). At the end of Daylight Saving Time, you turn your clocks back one hour ("Fall back").

"Observing Atlantic Standard Time

year-round would decrease energy usage, reduce the risk of heart attacks, strokes, car accidents and increase workplace productivity," said sponsor Sen. John Keenan (D-Quincy). "Tom Emswiler, a constituent and dedicated expert on time zone policy, brought this issue to my attention. I'm pleased to see that his advocacy has helped spur action in the Legislature, a promising reminder of how engaged residents can help shed light on new ideas."

Supporters of the bill say that several studies have shown that changing the clocks has demonstrable negative impacts on health including:

Johns Hopkins Bloomberg School

of Public Health which says the time change is associated with an increased risk of heart attacks, strokes, mood disturbances and hospital admissions; Stanford School of Medicine which finds that disruptions to the body's circadian rhythm are associated with higher rates of stroke and obesity; and Northwestern Medicine which has linked the clock change to longer-term health effects, including depression, slowed metabolism, weight gain and cluster headaches.

House Speaker Ron Mariano's office and Gov. Maura Healey's office did not respond to requests by Beacon Hill Roll Call asking how the speaker and the governor feel about the bill.

City-Funded Scholarships Available for Somerville Class of 2026

Seven scholarships available to Somerville residents in the Class of 2026; Apply by deadline March 27, 2026

SOMERVILLE— Somerville's 2026 high school graduates are invited to apply for City of Somerville Municipal Scholarships designed to help students launch their next steps be

that professional training, college, or a job in the trades. Selected applicants will receive \$2,000 to help with post-secondary education expenses including tuition, professional programs and certifications, and union fees. The deadline to apply is March 27, 2026.

To qualify for consideration,

students must be in high school, a resident of the City of Somerville at the time the financial aid is awarded and be accepted to an accredited post-secondary institution. Awards are granted both on the basis of merit and need.

To apply, students must complete the online application at bit.ly/municipalschol26

by Friday, March 27, 2026, at midnight.

For more information, visit somer villema.gov/scholarship or contact 311 (617-666-3311).

Learn about Somerville's Efforts to Reduce Flooding and Improve Water Quality in the Mystic River 3/25

Transformative stormwater management project aims to bring flood relief and promote environmental health

SOMERVILLE—All community members are invited to learn more about flood relief

and water quality improvement efforts planned for Winter Hill, Ten Hills, and the surrounding neighborhood. On March 25, take your pick of a project walk or a virtual meeting to get the latest on this important work.

Through its Mystic River Outfall and Sewer Separation project the City of Somerville will be making substantial investments to modernize its sewer and stormwater infrastructure. Since early 2024, City staff and consulting partners have been performing field

investigations, coordinating with state and federal partners, gathering feedback from residents, and advancing the project's design. The project aims to reduce flooding in Winter Hill and Ten Hills while decreasing sewer overflows into the Mystic River during heavy storms.

Opportunities to Engage
The City will host two events on Wednesday, March 25, where members of the community can hear updates and share their feedback.
· Project Site Walk (11 a.m. – 1 p.m.)

o Get some fresh air and updates all at once. Gather at the intersection of Shore Drive and Temple Road. From there City staff and project consultants will lead a walk around the neighborhood to discuss the project objectives and highlight the locations of planned infrastructure improvements.

· Virtual Community Meeting (6 – 8 p.m.)
o Or join a virtual community meeting held via Zoom later that evening. Project team members will provide an overview of the project and take resident feedback.

§ Register to attend here or on the project website (linked below).

For more information on the project, including previous meeting presentations and recording, as well as more info about these upcoming events please visit the project website at somervillema.gov/mysti-outfall.

For questions, please email construction@somervillema.gov or call 311 (617-666-3311 from outside of Somerville).

Somerville Service Award Launches to Recognize the Work of City Staff

Community members invited to submit nominations; Recipients to be announced monthly

SOMERVILLE—As Cher almost said: “Can I hear a little commotion for the staff?” Mayor Jake Wilson is

introducing the Somerville Service Award, a monthly spotlight to recognize the exceptional work of City staff who keep Somerville running. Whether it was getting a problem solved, listening and acting on your feedback, connecting you to a service, launching a whole new initiative, or just a helpful conversation over pizza at your ward’s Slice of the City, community members are invited to nominate City staff that you feel

deserve recognition. How it Works Nominate staff through the online form at somervillema.gov/serviceaward. Community members will be asked to provide the name and department of the staffer and a brief description of why you feel they deserve the award. Submissions will be reviewed each month, and recipients will be announced via the City’s social media channels. City staff are

also able to nominate colleagues. To celebrate the launch, the Mayor’s Office has presented awards to Director of Economic Development, Rachel Nadkarni, and Deputy Director Dana Whiteside for their critical work in bringing the global headquarters for organ transplant technology giant TransMedics Inc. to Somerville. The move will bring an estimated \$75 million in new tax revenue

over 10 years, 900 jobs to the area — including 600 new positions by 2032 — and significant community investments in education and public safety. Read more about the TransMedics move in our news feed at somervillema.gov/news (look for the announcement from January 13). For more about the Somerville Service Award and to nominate City staff, visit somervillema.gov/mayor.
